2010 BUDGET INPUT MEETING TODAY AFTER CHURCH!

Tithing partners of Live Oaks Community Church, 16 years and older, are welcome to participate in a brief discussion of the 2010 ministry budget. This meeting will follow the morning service and will not last more than an hour. We will provide light refreshments to hold you over until lunch. LOCC Ministry Director team wants to hear your voice and include you in the budget process as they work toward finalizing it. Please keep the 2010 budget process in your prayers. **(If you did not pick up a rough draft of the 2010 budget on the back last Sunday... please pick one up this morning).**

2010 BUDGET & VISION WORSHIP SERVICE, JANUARY 31ST

Mark this date on your calendar and plan to be a part of this important yearly worship gathering. In this service we will celebrate our vision, hear from different ministry areas, and dedicate our 2010 budget to the Lord. Please prepare your heart by praying for this annual service.

ELEMENT 26 NEWS

See the back table today for a brief but (hopefully) informative newsletter about E-26. Questions? See Tony or Jan.

THANK YOU FOR HONORING THE STAFF/FACILITIES OF KENSLER & WILBUR!

All our efforts to care for the equipment, grounds, and facilities of these schools our ministry leases is a witness for Christ and the reputation of the church to the teachers, staff and administrators responsible for these facilities. Every time we say "thank you" to a janitor, treat the facility/resources gently, and show consideration to the reasonable rules placed upon us, we are a blessing. Thank you for glorifying Christ by honoring the buildings, resources and staff of USD 259!

NEW SMALL GROUPS TO BEGIN SOON... BE LOOKING FOR MORE INFORMATION!

SERVICE CANCELATION POLICY IN CASE OF SEVERE WEATHER:

LOCC will never cancel a Sunday service or mid-week gathering in a ministry area of the church due to weather or social unrest unless otherwise announced by the Pastor or a Ministry Area Director. This announcement will come through one or more of these avenues: a phone call, a message on the church phone line, a post on the church web site, and/or a public notice of cancellation on KAKE news. In the event of extenuating circumstances or severe weather conditions, it is ultimately the individual who must make the final decision for themselves.
